

## Curriculum Vitae of the machine Reference number: 20518

# DUPLO SYSTEM 4000

## Collating Machine

**Manufacturer:** Duplo USA Corporation,  
Santa Ana, USA - California  
**Production Year:** about 2003  
**Max. Size/Width:** 350x500 mm (13.8"x19.7")

**Availability:** immediately

**Work Experiences:** paper collating from 40 g / m<sup>2</sup> to 350 g / m<sup>2</sup>

**Sale Reason:** closing company

**More Details:**  
10 DC 10/60 loading positions  
position capacity 60 mm  
frictional loading  
autocalibration  
select right or left output  
4 step overlap control  
block mode  
excretion pathways  
detection of double sheet  
high-capacity stacker DBM400 STR  
max. pile height 430 mm

**Condition of the Machine:** very good condition, well maintained, worn out according to its age can be seen running

**Disclaimer:** The Condition of the Machine assessment presented in this CV was either obtained from the last machine operator or is based on an inspection performed by our employee, just to provide you with as much information as possible. For more certainty we recommend your own check or an assessment of an independent mechanic. We cannot provide you with any machine guarantee.
